

Click'M C Allround mop - 54 cm - 5 pack

GENERAL

Highly qualitative Allround Mop for dusting and damp cleaning of hard floors in areas with demanding hygiene requirements. Suitable for the Click'M C frame.

- The mop slips onto the frame and magnetically attaches to the plate with one click. This ensures a lifelong attachment.
- Excellent cleaning power & highly absorbent.
- Designed for pre-soaking.
- Designed specifically for use in areas with demanding hygiene requirements, such as hospitals or care centres.
- The long microfibre threads make the mop perfectly suitable for cleaning uneven surfaces, such as stone or tiled floors.
- Hygienic, hands-free removal of the mop from the frame after use.
- Integrated colour coding ribbons help ensure correct area and surface use.

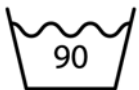

The Click'M C is a high-quality and innovative flat mop system, with a revolutionary magnetic click-fastening. Extra hygienic in use, the mop can be removed from the frame without coming into contact with your hands. There are three different mops available for the frame, each with four coloured ribbons for efficient use.

USAGE

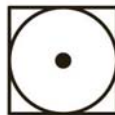

1. Wash the mop in the washing machine before the first use.
2. Slip the mop onto the frame, locking onto the magnets by pushing down on the handle.
3. Will clean 40-70m² floor area (normal soil).
4. Remove the mop after use by simply releasing the clip with your foot.
5. Machine-wash the mop before the next use.

Machine wash, 90 °C

Do not bleach

Tumble dry, low heat (60 °C)

Do not iron

Wash without fabric softener
