

Pro Floor 8

Floor cleaner (manual or machine)

Technical data

Pro Floor 8 is a powerful floor cleaner for professional use. This product is suitable for daily and periodic cleaning of water-resistant floors (stone, linoleum, lacquer parquet, tiles, etc.) using a mop or cloth. **Pro Floor 8** contains low-foaming, rapid-acting detergents, which make it exceptionally suitable for use in floor washing machines.

It is formulated for cleaning moderately to heavily soiled floors in food industry, kindergarten, schools, hospitals, garages, workshops, production areas, etc.

Instruction for use

Manual use: Prepare a 0.5% solution by adding 40 ml of **Pro Floor 8** to a bucket containing 8 L of water.

Machine use: Prepare a 0.5% solution of **Pro Floor 8** in the scrubber-drier (50 ml per 10 L of water)
