APPLICATION

Washing powder for coloured washing for use in domestic and semi- industrial machines.

- Suitable for coloured washing. Keeps colours bright.
- Excellent stain removal, even at low temperatures.
- Contains no optical brighteners.
- Flower perfume.

Wash Color is an ecological laundry powder for coloured laundry and is intended for professional use. Wash Color is specially formulated for safe washing of coloured laundry. This product easily removes all grease, protein and starch stains. Wash Color is suitable for use in domestic and semi-industrial machines. Wash Color is free from chlorine compounds, other halogen compounds, phosphates and poorly degradable phosphate substitutes, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully biodegradable.

INSTRUCTIONS FOR USE

Pour the appropriate amount of Wash Color into the dispensing compartment of the washing machine. Dose according to the water hardness. Keep in a dry place, and seal the bag or bucket after use.
