Wash liquid is an ecological laundry liquid for professional use. Wash liquid is safe for coloured laundry, and offers outstanding cleaning results at low temperatures. This product is effective on all grease, protein and starch stains. This product can be used at temperatures up to 90 °C. This product is suitable for use in domestic and semi-industrial machines. Wash Liquid is free from chlorine compounds, other halogen compounds, phosphates and poorly degradable phosphate substitutes, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully biodegradable.

INSTRUCTIONS FOR USE

Pour the appropriate amount of Wash Liquid into the dispensing compartment of the washing machine. Dose according to the water hardness.
