+ Option sense

With the XIBU senseFOAM and XIBU senseTOWEL dispensers you have the most hygienic form of cleaning and drying hands at your disposal.

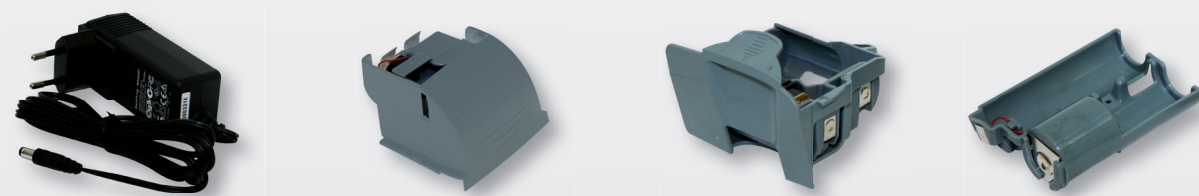

The touch-free dispensers have a smart sensor technology and are characterised by superb quality foam and precisely cut paper.

XIBU – a system with many possibilities

- Design
- Efficient and sparing
- Never empty
- Easy handling
- Austrian quality product

+ Option powerPACK

The sensor controlled dispensers can be supplied directly with electricity from the grid by using the powerPACKs. Alternatively, batteries can ensure the power supply.

+ Option mobile

The XIBU senseFRESHAIR is an innovative air freshener. A stand makes the dispenser mobile and flexible.
